Commodore's

Report

**Please Volunteer - Recreational
Skippers Ticket**

The Club is very keen to have suitably trained support boat operators available at all times in order to conduct club races. Holding a Recreational Skippers Ticket (RST) is a legal requirement in order to pilot the support boats.

Our recent call for volunteers to undertake an RST Course **THIS WEEKEND** has only resulted in 3 volunteers to date. Please help the Club by putting yourself forward if you can spare the time.

If active club members wish to undertake the course and use their skills at the club, the course fee will be covered by MYC.

Attention all sailors: Club Library

The club is hoping to build a library for our bronze fleet. If you

have any old unused sailing books gathering dust that you would like to donate to the club, or wouldn't mind lending to some junior sailors for a couple of weeks at a time; please see Matt Clark-Massera. Books for all levels of sailing are desired but currently our group generally have approximately 12 months sailing experience each and the focus is on the introduction to topics such as: Sail trim, hiking technique, playing wind shifts, rules and preparation.

Matt Clark-Massera
