**NO TRAINING
BUT
SAILING RESUMES
TOMORROW**

**NO TRAINING – BUT SAILING IS
SCHEDULED THIS SUNDAY 12th
MARCH**

**The Club will be open from 10am
TOMORROW and boats will be
available for informal sailing for
trainees, however, no formal training is
scheduled in the morning. Boats will
be available from 10am for
rigging/casual sailing only in the
morning.**

**Instead, the training will happen in the
afternoon. Tomorrow, a two race (short
course) series will be run from 2.00pm
- winds are forecast to be light, so ideal
for the trainees, with the training group
most likely to have a separate start.**

**In order to get ready for this event you
will need to be at the Club no later than
12.30pm so that you can rig the Mirror
you plan to race in.**

**Bring your lunch to munch after
rigging. The racing will begin at 2.00pm
and continue until about 3.30pm – 4pm.
Race instructions, including a reminder
of the Start procedure, will be issued**

on the day. It would be fantastic to see as many of the group as possible having a go on that day.

RECENT SAILING

Following the very frustrating cancellations of Training we finally hit the water again on Sunday 26th February. The water was brown with tannins and there was a lot of debris at the high tide mark but there was no sign of any algal scum. All the same it was wise not to become immersed in the water. The conditions were very light at the beginning but by the second half of the session a breeze found its way to us and the sailing became a bit more exciting for the sailors in the 7 dinghies that were sailed very well by all participants. As a result of today's activities of rescuing a 'person' overboard (we threw out unoccupied buoyancy vests) and a revisit of the topic of tides and how they can affect sailors, today's group have now completed the requirements for Sailing Proficiency: Sailing Skills 2. A certificate will be issued on Prize Night to these people. If you were not present today you will be brought up to speed before the season ends, so that you will also receive this certificate.

CITY OF BAYSWATER REGATTA

On March 19th the Bayswater City Council will be sponsoring a Regatta at MYC. Members of the Training Group are encouraged to once more 'have a go' on this important day. We want to show the Council that we are an active club very worthy of their continued support – the more boats we can have on the water the better.

More detailed information to follow this week.

Happy sailing!

Steve Rose and Ken Patterson
