# Reminder - This Sunday 24th September

## **BUSY BEE**

**The start of the season is nearly here and, as usual, we are holding a Busy Bee to tidy the club and boat shed. All the boats will be dragged out (dragged due to flat dolly tyres, probably!) and the shed swept and dusted. There's a bit of rubbish around too, so we are asking people to each take a bit away and save the club the expense of getting a skip bin. We have some brooms but if you have a nice, stiff yard broom and shovel, that would be handy to bring. Narelle has given a big list of things to clean up in the clubhouse - cobwebs, dusty photos/flags, fans, etc - as well as the usual cleaning of all the plastic chairs which is a big job.**

**So, if you can bring along step ladders, soft brooms, magic cleaning solution, it would be great. Narelle also thinks the floor could do with a polish so if anyone wants to tackle the big polishing machine, feel free. Also a bit of ceiling painting and hole-**

patching.....
