**MYC STATE SABRE
HEATS**

WRAP UP

Barry Newell and Chris Holyday tacking away on port just after the start, looking for clear air in race one. Chris found a favourable starboard tack lift afterwards and dropped in behind the leading bunch at the top mark - read his full report - see link

below.

It was great to see 20 plus Sabres competing for the first heats of the State Sabre Titles at Maylands last Sunday. Thanks to Brian Jones of WA State Sabres - and family, for again organising an enjoyable and fun afternoon's racing. Thanks to all Maylands sailors competing - eight boats came from Maylands including three lady sailors - Commodore Mimi Secco, Anne Gaunt and Rolna Stoeger.

Chris Holyday wrote a competitor's on-water review for the National Sabre Association of how he saw the two heats at Maylands unfold last Sunday. Click [here](#) to read his full report and see some great photos by David Ponton. And thanks to Alan Benn and Rob Hermans for giving up their own sailing day to host the racing, set courses, run the starts and control all aspects of the titles for the Sabre Association - well done. Thanks to David Ponton for acting as official photographer - some of his fine work on Sunday is displayed elsewhere in this newsletter. AND A BIG THANKS TO BRENDAN MAINE AND MATT FOR COMING ALONG TO SUPPLY THE MUCH APPRECIATED BARBECUE AND OTHER LUNCH TREATS!
