## Nationals Regattas

The Sabre (Perth) and Mirror (Tasmania) Nationals are over. Full details of how MYC sailors fared will appear in the next newsletter. Right now, the editor is still in recovery mode after 9 Sabre races (featuring a 55 boat fleet) over 5 days finished yesterday on Matilda Bay.

Exhausting - yes! Fun - yes, and for me at least, it was an experience of a lifetime - a chance to not only start in big fleets, but also to meet and mix with fellow minded sailors (of both sexes in the Sabres) on and off the water. An experience not to be missed!

Warm thanks are extended to PDSC and to the WA Sabre Sailing Association (ably led by their President Brian Jones, wife Jenny and daughter Chelsea) for the considerable work they performed hosting a very professional series - won by WA's Scott Olsen with six heat wins in total.

And many thanks to [\*\*\*Rick Steuart's Perth Sailing Photography\*\*\*](#) for permission to use a couple of great pics here .... more to come in the next newsletter:

***55 Sabres are off, in perfect conditions, in the 40th Sabre National Titles at Perth Dinghy Sailing Club - no space on the front row!***

***Paul Cornwell, Maylands newest Sabre sailor in the aptly named 'Why So Serious?' The editor in 'C3PO' at right has mercifully been kept well out of focus in the background in this great pic from Rick Steuart's Perth Sailing Photography (as editors must remain in the background at all times).***

***Thanks Rick!***

No pics of Terry Gaunt Jnr yet - but rest assured, we have plenty of them and he finished best of the MYC sailors in 37th spot.

And check out the first video at Rick Steuart's fantastic web page link below for some live starting action hot off the press on board Safety Bay's Paul Giadresco's Red Tip Sabre (Paul finished 13th overall) - see the "On board with
