2020 – 2021

Membership Application Form

MYC Membership

Club fees fall into various categories described below. Please note that all new Membership applications are subject ratification at a Committee Meeting.

Membership Categories

Life, Full, Family & Student/Junior members are eligible to race and store boats at the Club.

Radio Controlled Sailors are able to race radio controlled yachts at the Club.

Associate members have all rights except for voting, racing and boat storage.

Racing Fees

The skipper is charged a racing fee as per the “Racing Fee” table. This covers running costs for the support boats.

Boat Storage Fees

All boats are stored at the owner’s complete risk. MYC Inc. is not responsible for, and accepts no liability for, any loss or damage to Members’ boats. An Indemnity Form must be completed and returned with fee payment. Priority of available boat space is given to members who actively participate in racing, and whose account is not in arrears.

Club Boat Hire

If you plan to sail regularly on a Club boat then a fee applies to cover the cost of maintenance. Members who are part of a training fleet do **not**

need to pay Club boat hire fee. Any damage to Club boats is the responsibility of the sailor. If frequently causing damage to Club boats, you may be asked to join the training fleet.

Family Membership includes all full-time student dependants up to the age of 19. This age limit may be increased only by personal request to the Management Committee.

Cap on Family Fees

A limit of \$600 is placed on Family Membership fees. Membership, racing and training fees are included under this cap. Boat storage is not included in this limit.
